\$199.99

**Husqvarna
Chainsaws**

Starting at

\$249.99

**Husqvarna
Snow Throwers**

Starting at

\$1,099.99

Powerful fall savings and offers inside.

New forces to power through

Introductory offer Husqvarna 435

No matter how big the job,
why should you settle for less?

\$319.99
MSRP \$379.99

- Snaplock cover design for fast access to the sparkplug and air filter
- The Husqvarna Pixel chain for efficient cutting performance
- Auto-return switch

- Lightest in class

Husqvarna 455 Rancher

Big power, big savings

- 55.5 cc power plant / Standard 18" bar
- Combined choke /stop control for easy starting
- X-TORQ - LowVib
- Air injection - Smart Start

\$449.99
MSRP \$499.99

X-TORQ®

Environment.

Fuel-efficient engines provide significantly lower emissions. With our X-Torq® engine technology, fuel consumption is reduced by up to 20 % and emissions by up to 60 % while increasing power.

Husqvarna 440e

Lightweight, rugged & precise cutting power

- 40cc power plant / Standard 16" bar
- TOOL-LESS chain tensioning
- Inertia activated chain brake
- X-TORQ - LowVib
- Air injection - Smart Start

\$399.99
MSRP \$439.99

Air Injection™

Performance.

Air Injection™ removes up to 97% of dust and debris particles before reaching the air filter. This improves performance, reduces maintenance intervals and extends engine life.

Husqvarna 235

The ideal hobby saw for homeowners who need to tackle light jobs

- 34.4 cc power plant / Standard 16" bar
- Inertia activated chain brake
- X-TORQ - LowVib
- Air injection

\$249.99
MSRP \$299.99

LOWVIB™

Ergonomics.

The LOW VIB anti vibration system is combined with an angled front handle, a slim saw body design, low weight and high center of gravity that minimizes fatigue and ensures an unsurpassed operator experience.

SMART START™

Efficiency.

Over the years our engines have become easier to start. An integrated one-touch choke/stop control and air purge pump enable our machines to start quickly with minimum effort.

Industry leading technology and innovation.

the toughest jobs.

Husqvarna 445

A little more power for those tougher jobs

- 45.7cc power plant / Standard 18" bar
- Inertia activated chain brake
- X-TORQ - LowVib
- Air injection - Smart Start

\$429.99
MSRP \$469.99

Husqvarna 460

Tested and proven without compromise

- 60.3cc power plant / Standard 18" bar
- Inertia activated chain brake
- X-TORQ - LowVib
- Air injection - Smart Start

\$599.99
MSRP \$669.99

Husqvarna 450e

Delivers outstanding cutting performance

- 50.2cc power plant / Standard 18" bar
- TOOL-LESS chain tensioning
- Inertia activated chain brake
- X-TORQ - LowVib
- Air injection - Smart Start

\$499.99
MSRP \$559.99
